Sacred Heart Spartans' Scoop

Mrs. Rothstein's May Roundup

This is it, our last newsletter for this year's scrapbook. I remember writing last May's newsletter with teary eyes and a heavy heart as I prepared for my baby to graduate 8th grade. I know several of our graduating families have wrote their LAST tuition check this month and understand that joy comes with a mix of emotions. At each graduation Mass we acknowledge our families that are celebrating their "baby" graduating. Thank you to the Allard, Anson, Arroyo, Davalos, Emehiser, Heramia, Medina, Navarro, Nunes, Perez, Raudio, Salazar, Szenasi, Thomas, and Truxton families for your commitment to Catholic education. We will miss your families tremendously!! To the Navarro-Ceja & White families, we look forward to welcoming you back in the fall!

This graduating class is very special to me, as many of them were my FIRST preschool class ten years ago. I am honored and humbled to watch them graduate. It is has been such a privilege to watch them grow in their faith and live out our Vincentian charism.

Families, I pray that as your reflect on this last school year you are filled with joy. Catholic education is a commitment and an investment. Thank you for choosing Sacred Heart Catholic School to be a part of the most important foundational years of your student's life.

Families, please pray for myself, Mrs. Perez, Ms. Porter, our 8th graders and their adults who will be traveling to DC next week. Know that I will have little to no access to emails, please direct any questions to the office. This also means no weekly updates next week ☺

Enjoy your summer and we look forward to welcoming you back on August 8th for Back to School Night!

Health & Safety

We will not be conducting temperature checks at drop-off. Please be sure that your child is healthy to attend school, if not please keep them home and monitor their symptoms.

Thank you for continuing to be diligent in monitoring your student's health. We ask that you continue to keep them home if they have cold and flu-like symptoms. It is imperative that we continue to put the health and safety of our school community at the forefront.
