

Sacred Heart Spartans' Scoop

Happy November, Families!

God of abundant generosity, source of all blessing, we give you thanks for this special celebration of Thanksgiving: a cherished day to be with family and friends around the table of the Lord and around the family table. We have much to be thankful for—loving relationships, good health, meaningful work and time for play. Bless all those who do not enjoy these pleasures, especially the poor, sick, and lonely. May we share what we have been given with others, mindful that all that is good comes from You. Please accept our feelings of gratitude and make those feelings our prayer of thanksgiving. We ask this in the name of Jesus the Christ, and through the power of the Holy Spirit.

Amen.-University of Notre Dame

I wanted to share this simple prayer and invite you to pray it with your family and friends as you gather to celebrate Thanksgiving. I also ask that you keep our families who have experienced great loss in your prayers as they embark on the holiday season without their loved one.

From the Office

Mrs. Rothstein & Mrs. Perez will be attending a conference out of state and will have limited email access from 11-6-11/10.

God we are surrounded by a cloud,
Faithful witnesses who have gone before.
Those who have loved
where we would have hated.
Those who have healed
where we would have hurt.
Those who have spoken out
when we remained silent.
God may we walk in their footsteps,
Learning courage from their sacrifice,
Gaining strength from their faithfulness.

May we learn to give
so that others may receive.
May we learn to love
so that others may be set free.
May we learn to die to self
so that others might live.
God may we join that cloud of faithful
witnesses,
Treading paths of loving obedience,
Leaving footprints for others to walk in.
God may we too lead kingdom lives,
And walk into your ways.
Amen.
